General Information

TIME—FRIDAY, MAY 5, 1961, 12:30 P. M.

LOCATION—Sale will be held at Farmers' Livestock Exchange on Route 50, just west of Winchester, Virginia. There are good bus connections to Winchester from most points. Rail connections may be made via B. and O. at Martinsburg, West Virginia, and trains will be met. **NOTIFY THE SALE MANAGER**.

SALE HEADQUARTERS will be at the George Washington Hotel, Winchester, Virginia. **MAKE YOUR RESERVATIONS EARLY**.

TERMS—Terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All animals are at the buyer's risk as soon as sold but will not be released until settled for.

HEALTH—Most of the females have been officially vaccinated for Bang's. All unvaccinated and all cattle over 24 months of age, have been tested within 30 days prior to the sale and are clean to the test. The Virginia State Veterinarian or one of his assistants will be present to issue proper health certificates.

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

In addition all heifers sold as a separate lot are guaranteed breeders.

The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot. Neither the Sale Manager, Clerk of the Sale, nor Shenandoah Valley Polled Shorthorn Breeders' Association assumes any liability, legal or otherwise.

REGISTRATION—A certificate of registration and signed transfer will be furnished for each lot sold and an application for registry will be furnished on each calf sold at foot and for each unborn calf in dam.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of the guests of this sale, neither this association, its auctioneers, clerk, nor sale manager can assume any liability.

ALL HERDS CERTIFIED and ACCREDITED

Out of a daughter of our great breeding bull Clay Hill Bluster x. A concentration of Edellyn Royal Leader 2nd breeding with a blend of Coronet Command x and Browndale Commander, gives this heifer the best possible heritage, and she is worthy of it. Ideal age for breeding.

STANDARD GUARANTEE
of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination. Health certificate furnished for each lot.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
